

Apprenticeships Listing

Aircraft maintenance engineering-aeroskills (avionics) - trade -IV
 Aircraft maintenance engineering-aeroskills (mechanical) - trade IV
 Aircraft maintenance engineering-aeroskills (structures maintenance) - trade IV
 Aircraft mechanical-aeroskills (avionics) - trade IV
 Aircraft mechanical-aeroskills (mechanical) - trade IV
 Automotive trade (automotive parts interpreter specialist) III
 Automotive trade (electrical) III
 Automotive trade (engine reconditioning) III
 Automotive trade (heavy vehicle mechanical) (agricultural) III
 Automotive trade (heavy vehicle mechanical) (industrial) III
 Automotive (heavy vehicle mechanical) (road transport) – trade III
 Automotive (light vehicle - mechanical) - trade III
 Automotive trade mechanical (forklift maintenance) III
 Automotive trade (marine mechanical) III
 Automotive trade (motor cycle mechanical) III
 Automotive trade (brake mechanic) III
 Automotive trade (panel beating) III
 Automotive trade (transport trimming) III
 Automotive trade (vehicle body building) III
 Automotive trade (vehicle painting) III
 Automotive trade vehicle body (vehicle glazing) III
 Automotive manufacturing bus, truck and trailer – trade III
 Baking (retail baking - combined) - trade III
 Baking (breadmaking) (retail baking - bread) - trade III
 Baking (pastrycooking) (retail baking - cake & pastry) - trade III
 Beauty therapy - trade IV
 Binding & finishing - graphic arts (printing finishing) - trade III
 Boat building - trade III
 Bowling greenkeeping - trade III
 Bricklaying - bricklaying/blocklaying - trade III
 Cabinet making – furniture making – trade III
 Carpentry & joinery - carpentry – trade III
 Composition - trade III
 Construction carpentry – formwork & falsework - trade III
 Cookery eastern - hospitality (asian cookery) - trade III
 Cookery western - hospitality (commercial cookery) - trade III
 Drafting trade (electrical) - III
 Drafting trade (structural design) – IV
 Drafting trade (mechanical) – III
 Drafting trade (civil engineering design) - IV
 Electrical (building services) - (electrotechnology building services) trade III
 Electrical (domestic appliance servicing) - trade III
 Electrical (fitter) - electrotechnology assembly & service - trade III
 Electrical (instruments) - (electrotechnology instrumentation) - trade III
 Electrical (mechanic) - (electrotechnology systems electrician) - trade III
 Electricity supply industry distribution (power line) - trade III
 Electricity supply industry - cable jointing (power line) - trade III
 Electricity supply industry generation (electrical/electronic) - trade III
 Electricity supply industry generation (fabrication) - trade III
 Electricity supply industry generation (mechanical) - trade III
 Electricity supply industry - rail traction (power line) - trade III
 Electricity supply industry transmission (power line) - trade III
 Electronics (assembly and servicing) - (electrotechnology assembly and servicing) - trade III
 Electronics (building services) - (electrotechnology building services) - trade III
 Electronics (communications) - (electrotechnology communications) - trade III
 Electronics (computer systems) - (electrotechnology computer systems) - trade III
 Electronics (data communications) - (electrotechnology data communications) - trade III
 Electronics (entertainment & servicing) - (electrotechnology entertainment & servicing) - trade III
 Electronics (scanning and detection) - (electrotechnology scanning) - trade III
 Electronics (servicing) - trade III
 Electrotechnology (apparatus servicing) – trade IV
 Electrotechnology (communications) – trade IV
 Electrotechnology (computer systems) – trade IV
 Electrotechnology (entertainment & servicing) – trade IV
 Electrotechnology (explosion-protection) – trade IV
 Electrotechnology (instrumentation) – trade IV
 Electrotechnology (radar systems) – trade IV
 Electrotechnology (refrigeration & air conditioning) – trade IV
 Electrotechnology (systems electrician) – trade IV
 Engineering (electrical/electronic) - trade III
 Engineering (fabrication) - trade III
 Engineering (mechanical) - trade III
 Engineering – trade IV
 Higher Engineering IV
 Farriery trade III
 Fire sprinkler fitting III
 Floor covering and finishing - trade III
 Furniture finishing - trade III
 Furniture making (cabinet making) - trade III
 Furniture making (wood machining) - trade III
 Glass & glazing - trade III
 Golf greenkeeping - trade III
 Graphic pre-press -printing & graphic arts (graphic pre-press) - trade III
 Greenkeeping - trade III
 Hairdressing - trade III
 Higher engineering IV
 Jewellery (manufacturing & repairing) - trade III
 Joinery - trade III
 Landscaping - trade III
 Lift systems (electrical) - trade III
 Meat processing (meat retailing) - trade III
 Metal roofing and roof plumbing III
 Nursery – trade III (for Retail Nursery and Wholesale Nursery)
 Painting & decorating - (general construction (painting & decorating) - trade III
 Parks & gardening - trade III
 Plumbing, gasfitting & draining - trade III
 Polymer technology injection moulding technician - trade IV
 Polymer technology blow moulding technician - trade IV
 Polymer technology extrusion technician - trade IV
 Polymer technology composites technician - trade IV
 Printing machining - printing & graphic arts (printing) - trade III
 Refrigeration/air-conditioning (mechanic) - (electrotechnology) - trade III
 Roof tiling - trade III
 Saddlery – trade III
 Saw doctoring - forest & forest products (saw doctoring) - trade III
 Screen printing stencil preparation (screen printing) - trade III
 Shipwright - trade III
 Shopfitting -off-site construction (shopfitting) - trade III
 Signcraft - off-site construction (signwriting) (computer operations) - trade III
 Solid Plastering – trade III
 Stonemasonry - (monumental/installation) - trade III
 Telecommunications engineering – trade IV
 Textile, clothing & footwear mechanical (engineering - mechanical trade) III
 Upholstery - trade III
 Wall & floor tiling - (general construction (wall & floor tiling) - trade III
 Wall and Ceiling Lining – trade III
 Wood machining (timber manufacturing products) - trade III
 Wood machining – furniture making – trade III
